Political Economy for Beginners Dame Millicent Garrett Fawcett, 1889 *Bukowski For Beginners* Polimeni, Carlos, 2015-04-07 Charles Bukowski poet novelist short story writer journalist and cult figure of the dissident and rebellious was born in Germany in 1920 and died in the USA in 1994 During his

life he was hailed as laureate of American lowlife by Time magazine literary critic Adam Kirsch of The New Yorker wrote The secret of Bukowski's appeal is that he combines the confessional poet's promise of intimacy with the larger-than-life aplomb of a pulp fiction hero Bukowski was one of the most unconventional writers and cultural critics of the 20th century He lived an unorthodox idiosyncratic life and wrote in a style that was unique one that is impossible to classify or categorize His work was at times cynical or humorous but was always brilliant and challenging His life and work are distinguished not only by a remarkable talent for words but also by his rejection of the dominant social and cultural values of American society Bukowski began writing at the age of forty and published forty-five books six of them novels He is also considered one of the great literary voices of Los Angeles In Bukowski For Beginners playwright Carlos Polimeni evaluates the life and literary achievements of the cult writer whose voice of dissidence and discontent is still heard and appreciated by readers worldwide

Greek Mythology For Beginners Joe Lee, 2013-07-30 Would there be a Western civilization without the Greek myths Would we be able to define our civilization and ourselves without some reference to the grand violent and venal doings of those denizens of Mount Olympus Greek Mythology For Beginners presents the pantheon that immortal collection of rogues and heroes misfits and tyrants and the stories about these deities and their dealings with the mortals It delves into their undying influence on our thought and culture and how each age from Rome to Shakespeare to Freud down to our own Marvel Comics and NASA has been enlightened informed and inspired by these tales So strap on Hermes winged sandals saddle up Pegasus or even grab the nearest Harpy remember to keep your eyes closed and come along for the ride of your life Let's fly to that world that's as old as Chaos the ancient and refreshingly timely Greek myths **Stanislavski For**

Beginners Allen, David, 2015-03-17 Stanislavski was the first person to develop a cogent and practical system of acting Throughout his life he sought the answers to such fundamental questions as What is great acting and How can you find inspiration in every performance Stanislavski remains the most important influence on actor training today and yet many of his ideas are little known or even misunderstood Stanislavski For Beginners charts the development of the Stanislavski system It includes a clear exposition of the key elements of the system and explores his Method of Physical Actions which he worked on in the years before his death and which he called the result of my whole life's work **The American**

Presidency For Beginners Justin Slaughter Doty, 2017-03-06 The President of the United States is an office that attracts men of all character From George Washington to Barack Obama the office has been held by farmers scholars veterans and lawyers from all regions of the United States The American Presidency For Beginners tells a concise history of the actions and consequences of all 44 presidents The evolution of the presidency from the weak curator of Congress to becoming the titan of policy both domestic and foreign is highlighted in 10 sections The American Presidency For Beginners is a must read for those who find the position of commander in chief compelling and who want to learn more about the eclectic personalities that have led the US *Tolkien For Beginners* Louis Markos, 2022-09-23 Tolkien For Beginners will introduce the reader to

the multilayered depth and breadth of Tolkien's tales of Middle earth what critics following Tolkien's lead refer to collectively as his legendarium J R R Tolkien sweeps us away to a distant time and place that is at the same time our own time and place He takes us to a world where difficult choices must be made and are made where character is defined by those choices and where redemption is possible though not always embraced The Lord of the Rings taps a deep root in the human psyche There is much death destruction and defeat in Tolkien's world but there is even more friendship courage and hope What one remembers when one finishes reading The Lord of the Rings is not the vice of the villains as strong and as well drawn as it is but the virtue that empowers the heroes to resist it even at the cost of their own lives It will be the goal of Tolkien For Beginners to introduce the reader to the multilayered depth and breadth of Tolkien's tales of Middle earth To do justice to the full dimensions of that legendarium author Louis Markos will speak in two voices that of the storyteller who loves the stories he tells and that of the critic who seeks to identify and explicate key themes from those stories In his telling and analysis he will treat the legendarium both as a collection of secondary world myths with their own integrity and as a reflection of Tolkien's Catholic worldview

C.S. Lewis for Beginners Louis Markos, 2022-06-05 C S Lewis For Beginners is a thorough examination of C S Lewis the greatest Christian apologist of the twentieth century throughout his career as an author and as a professor at Oxford University A Christian apologist defends Christianity as a consistent and coherent worldview that squares with human reason history and desire It offers answers to every facet of our lives on earth as well as answers to our questions about what happens after we die What makes C S Lewis unique as an apologist is the way he balanced so perfectly reason and imagination logic and intuition and head and heart In addition to writing such non fiction apologetics books as Mere Christianity The Problem of Pain and Miracles he wrote eleven novels the seven Chronicles of Narnia a trilogy of science fiction adventures and a haunting retelling of an old myth set in the ancient world All eleven tell wonderful captivating stories that stand on their own as fiction but that also support and bring to life the kinds of apologetical arguments he makes in his non fiction He also wrote two utterly unique works of fiction The Screwtape Letters and The Great Divorce that offer a fresh highly original take on sin and temptation angels and devils and heaven and hell And that's not all Lewis the apologist and novelist had a day job He was a celebrated English professor at Oxford and then Cambridge University who wrote works of literary criticism that are still famous today C S Lewis For Beginners takes the reader through the wardrobe of his complete catalog of writing

Harriet Tubman For Beginners Annette Alston, 2017-12-01 As the most famous conductor on the Underground Railroad escaped slave Harriet Tubman earned the nickname Moses of her People for leading scores of men women and children from bondage to freedom in the North During the Civil War she worked as a nurse for wounded soldiers a caretaker of refugee slaves and a spy and scout for Union forces Late in life she was active in the fight for women's suffrage Mythologized by many biographers and historians Tubman was an ordinary but complex woman tiny but strong guided by her belief in God and religious visions yet a tough savvy leader

who the radical abolitionist John Brown admired as the General In 2016 it was announced that Tubman would become the first woman to appear on US currency the 20 bill in over a century Drawing on the latest historical research Harriet Tubman For Beginners portrays a woman who resisted and transcended slavery and fought injustice her entire life Beyond legend she made her mark on history by defending core American principles life liberty and the pursuit of happiness for others
