What to Do when Your Faith Seems Weak and Victory Lost Kenneth E. Hagin, 1979 [The Spiritual Journey of a Confused Man](#) Lance Dickson, 2010 For God is not the author of confusion but of peace as in all churches of the saints 1 Corinthians 14 33 Yet sometimes we may find ourselves in a confused state of mind not knowing where to turn or what to do This was the state I found myself when I started writing and reading my journal I found that in addition to reading the bible reading my journal brought peace to my heart and direction to my life This is not a substitute to reading the bible It was a means of reinforcing the truths that I already read in the bible I invite any military man on deployment to read this journal any father separated from his children and any man or woman who feels they may have lost their way I believe God will speak to your spirit as he spoke to mine and led me through some of the toughest situations and circumstances that I have encountered in my life I pray that you come to know God through his word and his still soft voice as you take this journey God Bless

happen Thomas and Mary have been married for thirty years They have two children a dog a house in the suburbs But after years of drifting apart things finally come to a head In this love story in reverse Tim Parks recounts what happens when youthful devotion has long given way to dog walking separate bed times and tensions over who left the fridge door open Lurching from comedy to tragedy via dependence cold re examination tenderness and betrayal Thomas and Mary is a fiercely intimate chronicle of a marriage capturing the offshoots of pain sent through an entire family when the couple at its heart decide it s all over

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism
