Margaret Atwood

Where Is My Home My Big Little Fat Book:

Ponzi Gene Lovell, Lovell Gene Lovell, 2009-11 Can a leopard change its spots What cataclysmic force or horrific event could bring a God fearing straight as an arrow man to embrace Charles Ponzi as a hero Zippy Cosmo was born at the height of the Great Depression to impoverished parents He grew up on a cigarette and a piss for breakfast but with a steely work ethic and a penchant for self sacrifice and honesty His picture is the dictionary definition of altruism Widows and orphans championed him He brought great happiness to the orgasmically deprived No charitable cause was beneath his notice The great near great and the gutter dweller were thrilled to be the subject of one of his magnificent unsolicited oil portraits Yet at life s end he ripped off thousands for millions Who wrought this change The mob A dominatrix Witness the transformation of a soul that would give Freud dreams of revision

Book of Lives Margaret Atwood, 2025-11-04 How does one of the greatest storytellers of our time write her own life The long awaited memoir from the author of *The Handmaid s Tale* and *The Testaments* one of our most lauded and influential cultural figures Every writer is at least two beings the one who lives and the one who writes Though everything written must have passed through their minds or mind they are not the same Raised by ruggedly independent scientifically minded parents entomologist father dietician mother Atwood spent most of each year in the wild forest of northern Quebec This childhood was unfettered and nomadic sometimes isolated on her eighth birthday It sounds forlorn It was forlorn It gets more forlorn but also thrilling and beautiful From this unconventional start Atwood unfolds the story of her life linking seminal moments to the books that have shaped our literary landscape from the cruel year that spawned *Cat s Eye* to the Orwellian 1980s Berlin where she wrote *The Handmaid s Tale* In pages bursting with bohemian gatherings her magical life with the wildly charismatic writer Graeme Gibson and major political turning points we meet poets bears Hollywood actors and larger than life characters straight from the pages of an Atwood novel As we travel with her along the course of her life more and more is revealed about her writing the connections between real life and art and the workings of one of our greatest imaginations
