Through A Mothers Eyes I Gave Birth To An Angel:

Through a Mother's Eyes... I Gave Birth to an Angel Debbie Miller, 2012-01-01 Losing a child has been described as the worst kind of loss anyone could possibly go through Doctors can fix broken bones and therapy can bring healing but the loss of a child breaks the heart For a broken heart all there is is time and a search for answers Debbie doesn't have all the answers for you She just prays that as you begin this journey with her that you find your own healing What do you say to the person who has lost a child You simply tell them that they can think about their son or daughter as much as they want to that they can cry as much as they want to and most important that they are not alone God has given Debbie the gift of writing that she would like to share with others Many people write books and tell their story of one kind or another but very few people tell the whole brutal truth Debbie Miller is an exception This remarkable book takes the reader on a dramatic journey into the depths of a mother's broken heart and deep into her soul It is a story of pain and blood and great loss It is not a beautiful story but it is her story and the story and legacy of her son Michael Angel's Back Brenda G. Wright, 2012-08-15 Angel A Hustling Diva with a Twist a dark thrilling and gruesome saga that explores the underground world of criminals Angels Back What's Next is the equally gripping sequel that can give the mobsters assassins and Italian mafia a run for their lives and for their money Wright's new book is a fitting comeback with twice the danger and twice the excitement featuring a natural born deadly trio that is a force to be reckoned with **The Mother-to-Be's Dream Book** Ra'na M. D., 2008-07 Once Upon a Time There Was a Little Girl shares the moving stories of seven women who as young girls experienced the early loss of their mothers through death or physical or emotional abandonment The women explore their personal traumas through their responses to seven fairy tales in which there was no nurturing maternal presence Dr Marcella Shields is a psychologist with over thirty years of experience who reveals the inspiring journeys of these women who eventually triumph over suffering and learn to rely on the bond they have formed with each other to help reclaim their passion for life By exploring seven timeless fairy tales in which the heroine finds her way through the grief of abandonment the women offer a deeper understanding of the significance of the mother daughter bond and the devastating consequences for the daughter if this bond is ruptured early The poignant life stories and dreams courageously offered by these women show how fairy tales allowed them to understand and refashion themselves and provide a source of encouragement and hope for other women who have experienced early maternal loss Fathers raising daughters without a consistent maternal presence will also find the reflections valuable **THE GOD'S UNIVERSAL BEHAVIORAL PEDAGOGICAL PROGRAM by its last universal messenger the PROPHET MUHAMMAD (English version)** AL MAHDI COMPLEX ŠŹgal, 2019-01-16 ISLAM THE UNIVERSAL INSTITUTIONAL EVANGIL ALL THE TRUTHS
