Zen and the Art of Subration Ashoka Annamaya Ishaya, 2019-04-15 Zen and the Art of Subration is a three part masterwork arising from the author's thirty five year journey to overcome cultural conditioning and achieve the ultimate transformation living on light and oxygen Ashoka Annamaya Ishaya shares an intimate look into how she discovered tantric and Taoist practices for cultivating immortality and integrated them into her life She follows up this first person account with a teaching guide distilling knowledge and practices aimed at readers on their own transformative path toward achieving your immortal jing cycle Ishaya believes that if a critical mass of humans commit to the process of sustainable immortality we can affect the evolution of our entire species Ishaya pursues an illuminating range of questions Are we as a species destined to be enlightened Can we apply mindfulness skills to evolve our physiology How can our health care system better support the maturation of our species Can we become an immortal species The treatise concludes with a scholarly overview of noted prophets from varied traditions and times who have taught and fostered transformation of consciousness and sustainability of culture

Extreme Religious Behaviours Johannes Bronkhorst, 2024-06-17 Certain religious behaviours clearly reduce biological fitness These behaviours include celibacy along with various forms of asceticism and rituals that harm the performer Such behaviours are found in widely different cultures How is this possible This book shows that these behaviours as is religion in general are by products of features of the human mind whose evolutionary fitness is beyond doubt and explores those features Which are those features This book proposes a twofold answer It draws attention to the layered nature of human consciousness in which different manners of experience are superimposed on each other This goes a long way toward accounting for the universal religious belief in some kind of transcendental world a higher reality different from

ordinary reality The layering of consciousness comes about in childhood and gains in prominence with the acquisition of a first language which is the second feature highlighted in this book Together these features explain a variety of normal religious behaviours and beliefs and account for the possibility of mystical experience They also explain the occurrence of behaviours that do not augment evolutionary fitness **Shadow, Self, Spirit - Revised Edition** Michael

Daniels,2021-09-28 New and enlarged edition Transpersonal Psychology concerns the study of those states and processes in which people experience a deeper sense of who they are or a greater sense of connectedness with others with nature or the spiritual dimension Pioneered by respected researchers such as Jung Maslow and Tart it has nonetheless struggled to find recognition among mainstream scientists Now that is starting to change Dr Michael Daniels teaches the subject as part of a broadly based psychology curriculum and this new and enlarged edition of his book brings together the fruits of his studies over recent years It will be of special value to students and its accessible style will appeal also to all who are interested in the spiritual dimension of human experience The book includes a detailed 38 page glossary of terms and detailed indexes

Intimacy, Transcendence, and Psychology S. Halling,2007-12-25 This book addresses the richness and depth of our intimate relationships and especially those moments when we come to see ourselves and the other person in a new way In such moments we realize that however much we are influenced by heredity and upbringing we are also agents with the capacity for openness and transcendence **The Shape of the Soul** Paul Marshall,2019-03-18 An essential read for any true seeker Eben Alexander MD Neurosurgeon author of Proof of Heaven and Living in a Mindful Universe When Paul Marshall began to pay attention to his dreams he could not have anticipated the transformative experience that would follow A tremendous expansion of consciousness exposed the insignificance of his everyday self but also revealed unsuspected depths of mind and hinted at a deeper self that holds the universe within In The Shape of the Soul Marshall now a mysticism scholar draws on personal experiences along with a wealth of religious philosophical and scientific ideas to explore this deeper self sometimes experienced in mystical and near death states as spherical in form Drawing inspiration from the philosophers Plotinus and Leibniz Marshall takes mind to be more fundamental than matter and views the basic units of nature as perceptual beings We ourselves are such beings striving for fulfilment in a long evolutionary journey of soul making Bringing together mysticism philosophy biology and even some physics The Shape of the Soul offers a deeply integrated vision of the self and the universe Addressing the mind body problem the origin of the world evolution reincarnation suffering and the nature of God Marshall delivers what will surely prove an intellectual classic **Chakra Healing Therapy** Glen Park,2020-09-22 A guide to working with the chakras to heal emotional wounds release physical tensions explore psychic abilities and awaken spiritual energies Explores each chakra on the physical psychological psychic and spiritual level and explains how the chakras can be understood as an embodied map of the psyche linked with different stages of development Details the author s system of Chakra Therapy which integrates healing touch with chakra visualizations Offers practical

exercises to nourish and support each chakra as well as practices for daily chakra maintenance In this in depth guide to working with the chakras author Glen Park draws on her decades of experience as a Chakra Therapist to explain how the chakras can be understood as an embodied map of the psyche with each chakra representing a different stage of development from infancy and childhood through adulthood with the Heart Chakra playing a central role in awakening the spiritual potential of the upper chakras She examines each chakra individually on the physical psychological psychic and spiritual level as well as through the lens of the solar masculine and lunar feminine channels She shows how the connections between the chakras and developmental stages are paralleled in the findings of Western psychology and neuroscience and how our collective expressions of the chakras influence cultural trends in society The author s system of Chakra Therapy integrates healing touch with guided chakra visualizations offering practical exercises to nourish and balance each chakra so it can be integrated and in harmony with the entire chakra system She explores how to work with the Heart Chakra for deep transformation and self healing including healing emotional wounds from childhood and enabling the psychic and spiritual levels of the Throat and Eye Chakras to develop with the potential of opening to the divine realm of the Crown Chakra Sharing case studies from her Chakra Therapy practice she shows how we gain a richer understanding of ourselves both mentally and physically by working with the chakras opening ourselves to the potential for deep soul growth and transformation

The Postconventional Personality Angela H. Pfaffenberger, Paul W.
