when books travel beyond the narrow confines of one genre one literary system and one culture The volume takes as its starting point the marginal position of contemporary Italian travel writing in the Italian literary system and proposes a comparative reading of originals and translations designed to highlight the varying reception of texts in different cultures Two main themes in the book are the affinity between the representations produced by travel and the practices of translation and the complex links between travel writing and genres such as ethnography journalism autobiography and fiction Individual chapters are devoted to Italian travellers accounts of Tibet and their English translations the hybridization of journalism and travel writing in the works of Oriana Fallaci Italo Calvino s sublimation of travel writing in the stylized fiction of *Le città invisibili* and the complex network of literary references which marked the reception of Claudio Magris s *Danubio* in different cultures

Translation, Travel, Migration Loredana Polezzi, 2016-04-08 The connection between travel and translation is often evoked in contemporary critical theory both practices seen as metaphors of mobility and flux linked to globalized post modern society Travel is a multiple activity encompassing temporary and voluntary displacement repeated movement exile economic migration diaspora Places of origin are often plural and unstable in spite of the enduring appeal of traditional labels such as mother country or patrie The multiple interfaces between translation travel and migration are the focus of all contributions in this special issue Starting from different points of view and using a variety of methodologies the authors raise fundamental questions about the way in which we perceive the link between language national or ethnic identity and individual voice Topics range from the interaction between travel travel narratives and translation in early English representations of China to the special role played by interpreters in mediating the first contact between a literate and a non literate culture from the multiple functions and audiences addressed by contemporary Romani literature and its translation to the political as well as cultural implications of translating popular music across the Bosphorus A number of the articles focus on detailed textual analysis covering the intersection between exile self translation and translingualism in the work of Manuel Puig the uses and limitations of translation in the works of migrant authors or the impact on figurations of Europe of experimental work embracing polylingualism Collectively these contributions also underline the importance of a closer examination of our assumptions about who the translators and the interpreters are and what roles they play in our society

The Routledge Handbook of Translation and Ethics Kaisa Koskinen, Nike K. Pokorn, 2020-12-16 The Routledge Handbook of Translation and Ethics offers a comprehensive overview of issues surrounding ethics in translating and interpreting The chapters chart the philosophical and theoretical underpinnings of ethical thinking in Translation Studies and analyze the ethical dilemmas of various translatorial actors including translation trainers and researchers Authored by leading scholars and new voices in the field the 31 chapters present a wide coverage of emerging issues such as increasing technologization of translation posthumanism volunteering and activism accessibility and linguistic human rights Many chapters provide the first extensive overview of the topic or present new takes on established areas The book is divided into
