Transparencies Of Eternity Sapientia:

An Unpromising Hope Thomas R. Gaulke, 2021-09-21 Written in a theopoetic key this book challenges Christian reliance on the motif of promise especially where promise is regarded as a prerequisite for the experience of hope It pursues instead an unpromising hope available to the agnostic or belief fluid members and leaders of faith communities The book rejects any theological judgement about doubt and hopelessness being sinful It also rejects any hope which is grounded in a sense of Christian supremacy Chapter 1 focuses on Ernst Bloch s antifascist concept of utopian surplus putting Bloch in conversation with queer theorist Jos Esteban Muñoz and womanist theologian M Shawn Copeland Chapter 2 explores the saudadic and theopoetic hope of Rubem Alves Chapter 3 turns to the womanist theologies of Delores Williams Emilie Townes and A Elaine Brown Crawford Finally chapter 4 engages the post colonial eschatology of Victor Westhelle framing hope as nearby in space rather than nearby in time Each chapter offers an unpromising hope that may be tapped into by those who wish to affirm belief fluidity in their own communities and by those who wish to speak of hope honestly whether or not at any given moment they believe in God or in the promises of a god *Everyday Armageddons* Matthew Holmes, Thomas R. Gaulke, 2023-11-21 Drawing from two decades as a hospice chaplain nurses aide and emergency medical technician the Rev Matthew J Holmes invites us to peer into the often occulted dimensions of life s endings From bedsores to isolation impacted bowels to the nursing home economy from neglect to deep desperate love modern death s characteristics are navigated here with insight honesty depth and clarity Following the sense of horror and humor evoked in each narrative are theopoetic and theological reflections from the Rev Thomas R Gaulke PhD Tom brings a playfulness to the conversation engaging issues of hope meaningless disenchantment sacramentology grace and religiosity in relation to modern death and postmodern longing Every day worlds end Armageddon is not a battle far removed into the future It is taking place right now in the hospital at the nursing home across the street and inside our very bodies The world ends in ways big and small It ends in pain and in love It ends with tears and with relief The ends of worlds are often grotesque final battles the bloodiest This book is an opening into those endings and an invitation into the search for whatever meaning and whatever of God might lie therein
