Grace Fox,2021-02-01 Enjoy having 90 daily devotions to find hope in crisis using Scripture prayer and practical applications

Start your journey to hope and healing today A diagnosis Death of a loved one A layoff A broken relationship Life changes in a nanosecond when storms sweep in often without warning With minds barely able to think clearly we often set our Bible aside However in reality that's when we need its comfort and strength most This devotional is written for those longing for hope but are lacking the ability to focus on a lengthy Scripture passage Enjoy having a devotional that will help you Tap into inner strength and wisdom with short reflections Make the best of your day without shame or guilt using encouragement from God's Word Find comfort in routine in meeting with the Lord daily Easy to Use Format for Even the Busiest People This Christian book contains 90 devotions Each day's entry follows a simple pattern Key Verse Pause short devotion Ponder application question or action step Pray short prayer Relevant quote Key Benefits Whether this is for you a loved one a friend at church neighbor or coworker this book is for those who are in crisis Crisis looks different for everyone For some it means facing the fallout of betrayal or divorce For others it means a cancer diagnosis the death of a loved one experiencing job loss or home foreclosure or watching an adult child make choices that carry lifelong consequences Some would say that hitting a relationship roadblock with a friend or family member constitutes crisis while others would say it's losing their family pet Regardless their greatest need is hope They need reassurance that God's love will never let them go His presence will never leave them and His strength will carry them through Finding Hope in Crisis addresses these needs as follows Its overall message directs their minds to God's character and promises These bite sized bits of truth will feed their soul and give them the strength and encouragement needed for that day Its devotions are short enough to read and keep their focus even when their minds are on overload Its relevant quotes reinforce the day's teaching to help them remember that particular truth

Religion, Politics, Media in the Broadband Era Alice Bach, 2004 Religion has gone public and the much discussed political pendulum has been swinging widely in its effort to keep up with the eruptions of faith swelling the broadband Private faith finds very public outlets through the media's appetite for voices and choices Faith based networks have become media savvy urging their members to send barrages of emails faxes telephone calls letters of praise or outrage to politicians Those same politicians return the volley using the broadcast media with great skill wooing the faithful convincing the cynical that God is on their side Only a deity could be on so many sides simultaneously Alice Bach's new book reflects her long time focus on the Bible religion and culture Popular religion is expressed within our culture in rock videos televangelism political rhetoric children's books films and animations Every sort of media from print to electronic to broadband is imbued with subtle and blatant religious imagery The media are new the message is not The tightly woven pattern of religion politics and media has been part of the American fabric since the country was founded When one examines this cultural cloth threads of varying colours are revealed threads whose twists reflect both media coverage of religion and religious views of the media
