Jesus Changes Everything Doug Burleigh, 2021-06-01

Discover how participating in religion or having information about Jesus is not the same as knowing Jesus personally There is significant difference between pursuing a personal encounter with Jesus and pursuing information about Jesus Information alone can become heavy religious baggage Information does not love forgive comfort save or heal Jesus does Many people desire a closer relationship with Jesus of Nazareth and are seeking a deeper understanding of his teaching and how they might apply to their daily life Would it surprise you to know that Jesus has the same desire He wants to know you love you and be part of your daily life The teachings of Jesus reveal the heart of Jesus as nothing else does An intriguing and inspiring book that offers invaluable lessons about living an abundant life drawn from the fascinating experiences of the author and the captivating stories about people from all walks of life who were blessed by spiritual enlightenment Edwin Meese III former US Attorney General Ronald Reagan Distinguished Fellow Emeritus at Heritage Foundation An amazing book that captures the essential teachings of Jesus and how to apply them as a modern day disciple This book could be titled Jesus

Isn't it true that we long to see the extraordinary, experience the extraordinary, do the extraordinary? Yet so often we settle for mediocrity when greatness is within our grasp. Why are we drawn to stories of heroic triumph over seemingly impossible circumstances? In our fascination with adventure movies, superheroes, and tales of incredible human feats, do we reveal an inherent desire for something larger and greater in life? Maybe what we think is a need to escape or be entertained is actually a God-inspired longing for the extraordinary. Best-selling author John Bevere reveals how all of us were meant for more extraordinarily created and intended for a life that is anything but ordinary. Here is the roadmap for your journey of transformation. You are marked for a life that far surpasses the usual definitions of success or fulfillment.
