Go to Heaven Fulton J. Sheen, 2017-08-07 Why is it asks Bishop Fulton Sheen that one hears so often the expression Go to hell and almost never the expression Go to heaven Here at his most penetrating challenging and illuminating best is Bishop Sheen with his answer in a book that breathes new meaning into the truths about

heaven and hell and new life into the concepts of faith tolerance love prayer suffering and death Beginning with *The First Faint Summons to Heaven* Sheen shows how unpopular it is today to be a true Christian and describes the struggle for living our faith amid the disorders of our times Keenly aware of evil in the myriad forms it takes in today s world Bishop Sheen writes about the constant battle man faces with the seven pallbearers of character pride avarice envy lust anger gluttony and sloth linking them with the corrosive forces that never cease in their attacks on the Church and those who earnestly desire to be serious Christians In *Go to Heaven* a great spiritual teacher and writer deeply aware of the human and spiritual conflicts being waged in the world shows us the way to heaven in a most eloquent book encouraging the reader to choose heaven now and to understand the reality of hell

[The Gospel of Happiness](#) Christopher Kaczor,2015-09-08 What is true happiness How can you experience it And can you live it wholeheartedly in your day to day life Every thoughtful person asks such questions Thoughtful Christians ask a few more questions such as Can Christian practices enhance happiness If so how And does Christianity provide happiness in a way that other paths like psychology cannot Christopher Kaczor suggests answers to these and other questions about how to be happier In *The Gospel of Happiness* the bestselling author of *The Seven Big Myths of the Catholic Church* highlights seven ways in which positive psychology and Christian practice can lead to personal and spiritual transformation Focusing on empirical findings in positive psychology that point to the wisdom of many Christian practices and teachings the author provides not only practical suggestions on how to become happier in everyday life but provides insight on how to deepen Christian practice and increase love of God and neighbor in new and bold ways Part of the Christian message is that authentic happiness is to be found not in selfishness but self giving writes Dr Kaczor In this book I highlight the many ways in which positive psychology and Christian practice overlap All of this points us toward deeper fulfillment in this life and in the life to come

[Life Is Worth Living](#) Fulton J. Sheen,1999 Bishop Fulton Sheen s renowned and inspiring television series *Life Is Worth Living* was watched by millions of viewers from all walks of life and every religious belief This book contains the full length scripts of forty four of those top rated programs that drew thousands of letters weekly to Sheen from his viewers in response to the advice and insights he gave on his shows Bishop Sheen s writings tapes and videos are as popular today as when he was alive His timeless insights offered in this book give wise personal and inspiring guidance on the problems affecting our lives in today s world His talks cover an amazing variety of subjects from the character of the Irish to the handling of teen agers He discusses education Christianity relativity and world affairs He speaks about love conscience fear motherhood work He tells amusing anecdotes recites poetry and ponders the fate of the free world as well as America s destiny Among his many best selling books none has greater universal appeal than *Life Is Worth Living* It offers a stirring and challenging statement of Bishop Sheen s whole philosophy of life and living It is a book for everyone of immediate concern to all people seeking understanding belief and purpose in these troubled times

The Priest Is Not His Own Fulton Sheen,2009-09-03 The beloved Archbishop Sheen whose cause for canonization is open in

Rome presents a profound and deeply spiritual look at the meaning of the priesthood and relationship of the priest with Christ as an alter Christus Sheen delves deeply into what he considers the main character of the priesthood and one not often discussed that of being like Christ a holy victim To be like Christ Sheen emphasizes that the priest must imitate Christ in His example of sacrifice offering himself as a victim to make His Incarnation continually present in the world Unlike anyone else Our Lord came on earth not to live but to die Death for our redemption was the goal of His sojourn here the gold that he was seeking He was therefore not primarily a teacher but a Savior Was not Christ the Priest a Victim He never offered anything except Himself So we have a mutilated concept of our priesthood if we envisage it apart from making ourselves victims in the prolongation of His Incarnation Bishop Fulton Sheen

Heaven in the American Imagination Gary Scott Smith, 2011-06-01 Drawing on an astounding array of sources including works of art music sociology psychology folklore liturgy sermons poetry fiction and devotional books Smith paints a sweeping provocative portrait of what Americans from Jonathan Edwards to Mitch Albom have thought about heaven Concepts of heaven he shows are ever changing constantly adapting to the spirit of the age In the colonial era heaven focused primarily on the glory of God Today many see it as a celestial entertainment center or a paradise where everyone can reach their full potential

Those Challenging Cracks of Secularism Rev. Oliver O. Nwachukwu, 2014-01-09 Lack of religious enthusiasm is a universal nemesis with long ranging effects In Those Challenging Cracks of Secularism author Rev Oliver O Nwachukwu shows how secularism can further deepen dividing lines among people The negatives solicited by indifference to authentic religious values and the erroneous use of force to enlist membership by religious extremists are two extremities Those Challenging Cracks of Secularism opposes in the search for ultimate truth Aggrieved by the negative effects of competing alliances on core Christian religious teachings and values the book discusses the recent ecclesiastical wrangling in the Episcopal Church that began with the ordination of gay priests and blessing of same sex union It further treats the recent clerical sex abuse scandal allegations of cover up the financial burdens on the affected dioceses as well as homosexuality in the priesthood The mythological anabasis of the Old Testament books have often been interpreted wrongfully by fanatics to engage in senseless killings of innocent people in the name of God something that has led to the mistaken practice of shutting religion off public places as private No one should be denied the privilege of close relationship with God through attitude of religious indifference Economic obsessions technological enslavement proliferations of arms racial intolerance and unbridled political correctness have diluted religious values so much that people are constantly burdened with mistrust and skepticism
