*The Kennedy Half-Century* Larry J. Sabato, 2014-10-14 An original and

illuminating narrative revealing John F Kennedy's lasting influence on America by the acclaimed political analyst Larry J Sabato     [Making JFK Matter](#) Paul H. Santa Cruz, 2015-05-15 In [Making JFK Matter](#) Paul Santa Cruz examines how popular memory of John F Kennedy has been used politically by various interest groups primarily the city of Dallas Lyndon Johnson and Robert Kennedy as well as how the memory of Kennedy has been portrayed in various museums Santa Cruz argues that we have memorialized JFK not simply out of love for him or admiration for the ideals he embodied but because invoking his name carries legitimacy and power Memory can be employed to accomplish particular ends for example the passage of long overdue civil rights legislation or even successfully running for political office Santa Cruz demonstrates the presence and use of popular memory in an extensive analysis of what was being said and by whom about the late president through White House memoranda and speech material museum exhibits such as the Sixth Floor Museum in Dallas and the JFK Presidential Library and Museum in Boston public correspondence newspapers and periodicals of the time memoirs and archival research He also explores how JFK has been memorialized in films such as Bobby JFK and Thirteen Days Written in an accessible manner to appeal to both historians and the general public [Making JFK Matter](#) tells us much of how we have memorialized Kennedy over the years     **Hidden Truth: Unveiling JFK Conspiracy Theories** Pasquale De Marco, 2025-07-19 In the annals of American history the assassination of President John F Kennedy remains a profound and deeply scrutinized event This book delves into the labyrinth of conspiracy theories conflicting evidence and unanswered questions that have captivated the public for decades Through meticulous research and critical analysis this book presents a comprehensive exploration of the JFK assassination It delves into the key players and suspects examining their motives actions and potential connections to the tragic event The book also sheds light on the role of the Warren Commission its findings and the controversies that have plagued it for years Furthermore this book delves into the media coverage and public perception of the assassination highlighting the impact of sensationalism and the shaping of narratives It analyzes the evidence and artifacts including ballistics analysis autopsy reports and physical evidence scrutinizing their significance and relevance to the investigation Moreover this book explores the allegations of cover ups suppressed information and witness intimidation unveiling potential attempts to conceal the truth It assesses the legacy of JFK his unfinished agenda and his profound impact on American history particularly in the areas of civil rights and international relations Ultimately this book serves as a comprehensive exploration of the JFK assassination providing readers with a deeper understanding of the event its aftermath and the enduring questions that continue to demand answers Through rigorous analysis and examination of evidence this book aims to uncover the hidden truths and contribute to a more informed understanding of one of the most consequential events in American history Within these pages readers will embark on a journey through the depths of the JFK assassination unraveling the enigma that has captivated the world for generations If you like this book write a review     [Advice from the Presidents](#) G. Scott Thomas, 2008-06-30 The same skills and strategies can propel an aspiring executive to the top of any

organization be it the Podunk High School Student Council the Acme Xylophone Corporation or the government of the United States of America The student council president may be an unpaid volunteer and the Acme CEO may bark out orders in an office that is rectangular not oval But the paths that lead to those positions are remarkably similar to the trail that ends so gloriously at the front door of the White House Author G Scott Thomas spent two years examining the lives of nearly two hundred presidential candidates winners and losers the famous and the obscure with an eye for the tactics and qualities that served their careers well or damaged them beyond repair He has distilled their experiences into a comprehensive guide to success Advice from the Presidents Thomas s book offers a wealth of advice quotations and anecdotes that are pertinent to any up and coming young man or woman Which strategies for advancement are effective and which are doomed to fail Which personal traits should be emulated and which are detrimental Presidential candidates have learned the answers the hard way earning the education of a lifetime in the gritty cutthroat arena of national politics a field as competitive as any to be found in corporate America And now for the first time their valuable knowledge will be made available to ambitious executives and eager students across the country Readers will learn the seven time tested steps that can transform a would be chief executive or U S President into the real thing Decide upon your long term goal Develop your skills and interests Polish your image and your people skills Organize a network of mentors and helpers Control your inner demons and your opponents Maneuver to improve your position Succeed with grace and serenity In this book readers will follow the career paths of famous American politicians There have been smart presidents and unintelligent ones honest and dishonest ones diligent and lazy ones But all of these master politicians have remarkably different skills and personalities but had one thing in common They all followed the same seven step career plan detailed in Advice from the Presidents And so can any ambitious person in any walk of life

**The US Senate and the Commonwealth** Mitch McConnell, Roy E. Brownell II, 2019-06-07 Kentucky has long punched above its weight in the US Senate as some of the nation s most distinguished senators have hailed from the Commonwealth Despite its relatively small population for much of American history Kentucky has produced a record two Senate majority leaders a record three Senate majority whips and one of the country s greatest lawmakers Henry Clay These Kentuckians played an important role in the evolution of leadership institutions in the Senate Official positions such as Senate majority leader and majority whip are nowhere to be found in the Constitution or early American history yet today these offices have essentially eclipsed the constitutionally created legislative leadership positions of vice president and president pro tempore While Kentucky senators have played a vital role in leading the Senate and in its institutional history no book has told the story in its entirety The US Senate and the Commonwealth is the first book of its kind to provide a detailed yet accessible discussion of the US Senate s leadership throughout its 225 year history Senator Mitch McConnell and Roy E Brownell II weave together the history of the Senate with lively portraits of prominent Kentucky senators as well as firsthand reflections about legislative leadership by a Senate majority leader The authors illuminate and humanize this

discussion by exploring the colorful and vivid lives of fifteen Kentucky lawmakers including Henry Clay Alben Barkley and John Sherman Cooper This compelling and fascinating study is an essential resource
