Living in a house that's actually a gateway between the past and present, the King siblings have to be ready for anything. It's a painful fact they discovered after moving to Pinedale eight days ago. Desperately trying to rescue their mother from an unknown time and place, brothers Xander and David have lunged headlong into the chaos of some of history's greatest and most volatile events. But their end goal has continually escaped their grasp. And worse. Finding Mom is only a small part of what they must do thanks to the barbaric Taksidian. His ruthless quest to seize their house and its power has put not only the family but all of mankind in grave danger. Somehow the key to everything hinges on Uncle Jesse's words: Fixing time is what our family was made to do. But how can they fix a world turned upside down, much less find their way home? At long last, the secrets of the house and the King family are revealed in the stunning conclusion to this epic series. If you like creepy and mysterious, this is the house for you.
