L'esprit Invincible - Les sommets et les précipices d'une carrière extraordinaire Paras Sharma, Rachna Sharma, 2023-03-24 C'est l'histoire d'un représentant mondial qui est devenu le PDG d'une société pharmaceutique en l'espace de 24 ans. C'est l'histoire d'une résilience et d'un courage toute preuve et de la capacité surmonter les difficultés avec une attitude positive et progressive pour aller de l'avant vers le succès et l'illumination. Il a prouvé que même si l'échec peut sembler lointain et difficile, elle est réalisable. Les adversités ont renforcé Paras et lui ont permis d'acquiescer une riche expérience. C'est ainsi que son parcours de représentant mondial l'apogée de sa carrière l'a amené voyager dans plus de 70 pays d'Afrique d'Asie et d'Amérique latine et centrale. Paras Sharma est un chef d'entreprise pharmaceutique mondial astucieux et motivé par l'échec. Il possède plus de 25 ans d'expérience dans la gestion des opérations des centres de profit avec un succès impressionnant dans les domaines de la vente, du marketing et du développement commercial des produits pharmaceutiques en mettant l'accent sur l'obtention d'une rentabilité maximale et minimale. L'équilibre de la vie a été appris plus tard par une expérience divine prouvée par Paras Sharma. La vie est au-delà des gains matériels le véritable succès est atteint lorsque l'on réalise et résout la question Qui suis-je et pourquoi suis-je ici. Enfin tous ses succès ont été consignés dans un livre lorsque Paras s'est remis d'une crise cardiaque d'un pontage coronarien l'âge de 45 ans et de la magnifique expérience divine de l'illumination après une expérience de mort imminente alors qu'il était à l'hôpital. Cette illumination pousse Paras à accomplir son Karma encore mieux dans ce deuxième tour de bataille accordé par le Tout Puissant.

Advance, 1994 *Quand la folie parle* Gillian Ní Cheallaigh, Laura Jackson, Siobhán McIlvanney, 2014-06-26 *Quand la folie parle* presents a timely reinvigoration of the complex subject of madness and its literary manifestations. This stimulating study authored by a range of young and talented international scholars is of key importance in defining and refining our ongoing endeavours to theorise and analyse the literary representations of the problematics of mental health. By including discussions of texts that speak of madness as well as those that speak from madness, this volume demonstrates that in fact the non-sense of madness achieves a force of expression often

more powerful than the usual order of logic Embracing the scientific the religious the medical the psychoanalytic the historical the erotic and of course the properly literary this wide ranging historically informed collection is particularly significant in its exploration of both the madwoman and the madman and exhibits an inclusiveness which extends to the genres and modes of the texts examined The authors discussed from Nerval and Houellebecq to NDiaye and L provide a refreshingly balanced picture of mental illness presenting madness or depression as a contestatory creative stance against often mind numbing social racial or consumerist conventions while refusing to play down the inevitable difficulties accompanying this isolating condition The dialectic effect referenced in the title of the collection extends not only to the dynamics at work within the volume itself as the different contributions implicitly dialogue with one another but equally to the reader of these essays who is engaged throughout in the debates put forward

HOW TO BECOME INVISIBLE Whenever I could being the good old journalist that I am I would write about what I ve experienced and what I ve observed Being an immigrant who did not speak the language of my new home but was educated in my native country I know first hand about being misjudged and dismissed Immigrants try their best to fit in going against the reality of exclusion in all its forms social economic and cultural The challenge for newcomers is not just to find a job but to find a purpose for this new life the right cause worthy of fighting for and a way to contribute People immigrate to America from around the world with a preconceived vision that is very far from the reality of their evolving new life I was one of them Leaving your native country for whatever reason and trying to make it in another is obviously not easy because the culture

language and traditions are so different Unfamiliarity and the sense of being alone away from loved ones plus the desire to go back home constantly permeate your thinking Knowing that it is not feasible is heartbreaking It is the people you meet along the way that can unknowingly give you the strength to continue Each new person you meet brings something to the table each one like a piece of a puzzle that all together forms a beautiful picture each one trusting that whatever they contribute is unique and important so things can go smoothly This realization keeps you going especially at work performing tasks that you ve never done before My eyes are closed and my pen struggles to release memory to share the experience of climbing the stairs of life s lessons If you are climbing it is always good to look back without asking others to have pity on your struggle Climbing the stairs of life requires courage to take the steps one by one with peace and love The days go by and the silence is still there we work look listen meditate and observe while there is time Being an observer is like a lesson of wisdom with flexible rules giving you the opportunity to become invisible while you learn and grow I started my first job in the kitchen carrying the food as well as washing dishes Under the quiet gaze of my supervisor while performing my duties I observed and reflected about all the people around me coworkers supervisors and the clients we were there to serve Sometimes life s circumstances force us to stay behind the curtains But this becomes a place of observation that is enriching

Godfroy Boursiquot *Theoria, Praxis, and the Contemplative Life After Plato and Aristotle* Thomas Bénatouïl, Mauro Bonazzi, 2012-04-19 This volume deals with the appropriations criticism and transformation of Plato s and Aristotle s positions about theory practice and the contemplative life including their epistemological and metaphysical foundations from Theophrastus to the end of Antiquity including Jewish and Christian authors
