Transforming Worldviews An Anthropological Understanding Of How People Change:

Transforming Worldviews Paul G. Hiebert, 2008-05-01 In the past changes in behavior and in belief have been leading indicators for missionaries that Christian conversion had occurred But these alone or even together are insufficient for a gospel understanding of conversion For effective biblical mission Paul G Hiebert argues we must add a third element a change in worldview Here he offers a comprehensive study of worldview its philosophy its history its characteristics and the means for understanding it He then provides a detailed analysis of several worldviews that missionaries must engage today addressing the impact of each on Christianity and mission A biblical worldview is outlined for comparison Finally Hiebert argues for gospel ministry that seeks to transform people s worldviews and offers suggestions for how to do so *Crossing*

Cultures with the Gospel Darrell L. Whiteman, 2024-02-27 Christianity Today 2025 Book Award Finalist Missions Global Church Outreach 2025 Resource of the Year Missions and Cross Cultural Southwestern Journal of Theology 2023 Book Award Honorable Mention Evangelism Missions Global Church Drawing on forty years of teaching and mission experience leading missiological anthropologist Darrell Whiteman brings a wealth of insight to bear on cross cultural ministry After explaining the nature and function of culture and the importance of understanding culture for ministry Whiteman addresses the most common challenges of ministering across cultures He then provides practical solutions based on lived experience helping readers develop healthy patterns so they can communicate the gospel effectively Issues addressed include negotiating differences in worldview the problem of nonverbal communication understanding cultural forms and their meanings and the challenge of overcoming culture shock Professors students and anyone ministering cross culturally will benefit from this informed yet accessible guide Foreword by Miriam Adeney **Experiencing the Gospel** Thomas W.

Seckler, 2020-05-18 In recent years increasing numbers of people from Muslim backgrounds have become followers of Jesus Some of these conversions have occurred in Cambodia This book explores the experiences and reflections of forty Cambodians from a Muslim background who have chosen to believe in and follow Jesus It is based on doctoral research utilizing in depth interviews which sought to answer the following questions 1 What role did contextualizing the Christian message play in making it more understandable and compelling 2 What core themes or factors did those interviewed report as central in their own conversions 3 How was the gospel message itself experienced as personally meaningful This book probes the answers to those questions revealing the manner in which forty Cambodians experienced God and the gospel message The stories and reflections found here not only provide a glimpse into their lives but also give insight into the way in which Muslim background individuals come to believe in and embrace Jesus **Setting a Sustainable Trajectory** Rob Lindemann, 2018-01-03 Many Christian colleges promote worldview formation as part of their purpose and learning objectives An institution teaches a worldview with intentionality enculturates it through community life reinforces it through human interaction and passes it on through symbols and stories Accreditation standards often require colleges to

demonstrate how their programs support the development of a biblical worldview This requirement necessitates a search for teaching and assessment approaches that can best serve this essential goal In this book the author reports on qualitative research with Bible colleges and offers a pedagogical theory for supporting students lifelong development of worldview This theory shows how college teachers can clarify their goals set relevant objectives employ effective teaching strategies and design helpful assessment methods *Four Overarching Patterns of Culture* Robert Strauss, Christopher Strauss, 2019

Justice has been the dominant cultural framework of people in the West for two centuries ever since the rise of constitutional democracies Consciously or not most people in the West have a strong awareness of right and wrong Their sense of morality is generally rooted in an obligation to the rule of law In democratic societies the rule of law ultimately relies on constitutional documents ratified by a widely accepted process of development and implementation For millennia honor has been the dominant cultural framework of most people in the East and Middle East Here people know that speech and behavior display respect or disrespect While pervasive in all relationships honor and shame are most important in the family extended family and local community In the East honor is not necessarily an internal feeling as it is in a justice culture Honor is more often an external attribution bestowed by others rather than claimed by oneself Harmony is prevalent globally in indigenous cultures Many indigenous peoples do not distinguish between the supernatural and natural worlds All aspects of life are connected Interactions with spirit beings are the key to maintaining harmony in order to be secure Reciprocity is a common cultural framework in the Global South Here one learns to develop connections with the right people in given circumstances for needed resources These connections may or may not be characterized as friendships and provide not so much close friendships as reciprocal exchange In some places reciprocity is the means whereby one survives *Mind Your Faith* David A. Horner, 2011-09-12 For young Christians about to embark on the collegiate experience David Horner provides a guide to thinking as a Christian Carefully exploring how ideas work he gives students essential tools for thinking critically contextually and coherently unpacking worldviews and discerning truth *Pursuing Moral Faithfulness* Gary Tyra, 2015-04-15 In response to the moralism and relativism that characterize the present age Gary Tyra presents an evangelical ethic for everyday moral faithfulness arguing that Christians can have confidence in their Christ centered Spirit enabled ability to discern and do the will of God in any moral situation *Introducing Story-Strategic Methods* Robert Strauss, 2017-03-17 The purpose of *Introducing Story Strategic Methods* is to awaken us in the cross cultural context Our natural tendency is to be asleep to our own cultural values and core worldview assumptions This tendency applies as well to our expectations in the cross cultural context For example in what ways would a justice pattern of culture orient our speech and behavior To what degree is a justice pattern of culture different from an honor pattern of culture The book asserts that culture matters in effective communication Going further to what degree does a story told from the Bible nullify the power of culture Often we assume that the biblical story trumps culture It does not The book affirms rigorously that culture is much

more powerful than we first suppose If in fact culture trumps the biblical story Therefore understanding and skills are required for effective engagement across cultures Strategic storytelling is a twelve step methodology that addresses the problems of miscommunication and syncretism that plague the cross cultural context It offers a step by step solution that promises success Insights are firmly rooted in Scripture and equally grounded in empirical research from the social sciences The stories told throughout the book are true The answers are compelling **Diaspora Missiology** Michael Pocock, Enoch Wan, 2015-09-15 For many years cross cultural missions were directed to people in the countries of their birth generally in Majority World areas Foreigners present among or around the intended focus of ministry were not viewed as part of mission ministry Diaspora missions focus on these peoples who are now actually and virtually in more accessible places This book will help you understand the dynamics behind this accelerated movement of peoples from one region to another biblical principles and precedents that guide ministry today the application of social and communication studies and actual cases of ministry to and with diaspora peoples Worldviews and Values in Higher Education Madasu Bhaskara Rao, Abhilasha Singh, Pulaparthi Mallika Rao, 2024-03-20 Providing a much needed global perspective based analysis of the issue of educational values this volume examines how higher education cultures are embedded within and heavily influenced by national cultures norms and structures through the lenses of Teaching Learning Curricula and Assessment *Christian Contours* Douglas S. Huffman, 2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews *Christian Contours* answers this question by inviting readers to consider the understanding of reality proposed by the Bible Though it is easy to divide life into separate compartments religious and secular theological and practical faith invites us to view all of life in the light of that Biblical understanding Presenting a clear compelling case for unity in essential Christian tenets the authors of *Christian Contours* guide the reader through developing internalizing and articulating a biblical worldview This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind Christian Global Health in Perspective Rebecca Meyer, 2024-04-02 Healing the Nations Restoring Shalom The world is grappling with complex health challenges and disparities forcing us to confront many pressing questions How do Christians understand and practice healthcare What is the biblical view of health and healing This workbook unravels these queries offering deep insights into the Christian approach to global health issues *Christian Global Health in Perspective* delves into the biblical foundations of health historical perspectives of Christian medical missions and strategies for integrating faith with modern healthcare Health is wholeness in body mind and spirit The authors seasoned experts in theology and medicine guide readers through an exploration of how the church can innovatively respond to current global health concerns This resource is essential for healthcare professionals church leaders development workers and anyone interested in the intersection of faith and health Reading this book may result in a paradigm shift for some who view remission of disease as the sole focus for healing when from a biblical perspective wholeness and shalom

form the basis for promoting health Christian Global Health invites you to join this transformative mission where faith and healthcare converge for global well being

Narratives in Conflict Matthew Aaron Bennett, 2019-11-18 Did Jesus die on the cross for our sins as the Gospels describe Or as Muslims often contend was Jesus rescued to heaven in order to avoid the shameful crucifixion that would be unbecoming of a messenger of God This debate has raged for generations and has caused no shortage of frustration among those seeking to explain the central teaching of the Christian faith to those influenced by the Qur'an What this book aims to do is uncover four barriers to understanding the biblical teaching on atonement that likely exist in the minds of our Muslim friends prior to asking about the historical reality of the Christ event What we will discover is that the Qur'an diverges from the biblical teaching on atonement at the lexical ritual narrative and worldview levels Each of these points of divergence presents a barrier to communication Therefore before arguing with our Muslim friends that Jesus died on the cross we must provide an answer to the prior question why would it matter This book argues that the Letter to the Hebrews provides a particularly helpful biblical starting point for overcoming all four barriers

Do Historical Matters Matter to Faith? James K. Hoffmeier, Dennis

R. Magary, 2012-02-29 Is historical accuracy an indispensable part of the Bible's storyline or is Scripture only concerned with theological truths As progressive evangelicals threaten to reduce the Bible's jurisdiction by undermining its historical claims every Christian who cares about the integrity of Scripture must be prepared to answer this question Do Historical Matters Matter to Faith offers a firm defense of Scripture's legitimacy and the theological implications of modern and postmodern approaches that teach otherwise In this timely and timeless collection of essays scholars from diverse areas of expertise lend strong arguments in support of the doctrine of inerrancy Contributors explore how the specific challenges of history authenticity and authority are answered in the text of the Old and New Testaments as well as how the Bible is corroborated by philosophy and archaeology With contributions from respected scholars including Allan Millard Craig Blomberg Graham Cole Michael Haykin Robert Yarbrough and Darrell Bock Do Historical Matters Matter to Faith arms Christians with fresh insight arguments and language with which to defend Scripture's historical accuracy against a culture and academy skeptical of those claims

Topical Preaching in a Complex World Sam Chan, Malcolm Gill, 2021-12-07 Be Equipped to Prepare and Deliver Engaging Biblical and Effective Topical Sermons Sooner or later every preacher will come upon a situation where they need to preach a topical sermon Yet few are taught to preach topically Even preachers who are gifted in expositing the Scriptures may struggle to deliver a topical sermon that is engaging culturally relevant and true to the biblical text Worse many pastors worry these messages undermine confidence in the Bible or its authority leading to a human centered rather than a God focused sermon But that doesn't have to be the case In Topical Preaching in a Complex World Sam Chan and Malcolm Gill answer these objections and chart a path for how preachers can deliver faithful and effective topical messages First they address the biblical theological and cultural reasons pastors should add topical sermons to their preaching repertoire Then they introduce a straightforward four fold approach for preaching a topical message and answer important questions like these How do you approach a topic with the proper interpretative lens How can you speak to two or more audiences with the same sermon What should you consider theologically culturally and pastorally in your preparation How do you trace the topic back to Christ How can you better connect with your audience Best of all they help readers craft a message that says something people truly need and want to hear Filled with wit humor and wisdom from decades of preaching this book will equip preachers pastors ministry leaders and students to preach relevant biblical and engaging topical sermons Author Sam Chan says Just over a decade ago I was asked by an organization to speak at their end of year dinner They wanted me to address the topic of being a Christian single but I had no idea how to prepare and deliver a topical talk When the night arrived I preached an old three point expository sermon and merely changed the ending to include some application on singleness At best I got some polite comments afterwards At worst people's looks indicated that my biblical talk had little relevance for them They could not have been less fooled by my disingenuous workaround I went home vowing never to repeat that poor performance I felt like the unfaithful servant who had not adequately used what talents had been

given to him As a result I have dedicated the last decade of my preaching ministry to overcoming and mastering the art of topical preaching This book is a product of that journey

The Lost World of Scripture John H. Walton, Brent Sandy, 2013-11-01 Walton and Sandy summarize what we know of orality and oral tradition as well as the composition and transmission of texts in the ancient Near East and the Greco Roman world and how this shapes our understanding of the Old and New Testaments The authors then translate these insights into a helpful model for understanding the reliability of Scripture

Ecological Jurisprudence Alessandro Pelizzon, 2025-01-11 This open access book explores the rise of ecological jurisprudence a transformative legal theory that challenges traditional legal boundaries Drawing on over 15 years of research and teaching the book offers a comprehensive theoretical exploration of this new approach to law via a comprehensive examination of a wide range of initiatives from around the world as well as a deep theoretical engagement with the implications of this novel legal theory Covering a breadth of topics never before brought together with such clear and wide ranging scope this book points to the emergence of an ecological jurisprudence not only as a profound transformation of legal norms but as a radical reimagination of law itself and serves as a vital resource for scholars and practitioners interested in the future of environmental law Along with Stone s Do Trees Have Standing 1972 Cullinan s Wild Law 2002 and the Ecuadorian Constitution 2008 we can now name Pelizzon s Ecological Jurisprudence as a key milestone in the field Herman F Greene JD DMin Thomas Berry Scholar in Residence The Earth Law Center An immense gift to the field and to generations of lawyers to come Ecological Jurisprudence contains teachings from which one could learn for a lifetime Katarina Hovden University of Copenhagen Alessandro Pelizzon s Ecological Jurisprudence is deeply rooted in how the law can best serve the natural world inspiring future lawyers with the kind of jurisprudence the natural world so urgently needs to exist Maria Mercedes Sanchez Former Coordinator of the United Nations Harmony with Nature Programme Pelizzon coins the term ecological jurisprudence and mobilises it to create deep normative foundations for future environmental law developments Any serious environmental scholar will have to engage with him because of the breadth and depth of what he achieves in this book Professor Afshin Akhtar Khavari QUT
