Transition 1 Paige Walker:

Transition Paige Walker, 2015-12-01 Nichole Roberts is a beautiful young woman with a bright future ahead of her. It is her eighteenth birthday and she cannot wait to celebrate it at what will soon be known as the party of the year. With her family and best friend by her side, everything seems perfect. That is until that night. A romantic evening with her handsome and mysterious boyfriend turns tragic, and Nichole's life takes a turn for the worse. Confused about what has happened to her, Nichole wakes up to find everything that she holds dear has been taken from her in a way she never knew existed. Will she ever come to terms with what she has become? Or will she seek revenge against the one person that has wronged her?

FROM THE BOOK The sun descends and the moon rises giving the only light that illuminates the darkness. Wind blows silently as if it is trying to tell me a secret. Our steps are quiet; we move like the wind walking along the forest floor as we make our way to the hole I crawled out of just a few months ago. We whip past the trees, rocks, and grass like we are floating in the air. The animals in the forest are neither seen nor heard. They are hiding, but I know they are out there. I can hear the steady pace of their hearts and the blood flowing in their veins. We make it to our destination. No words spoken, no sentiments given. There is just quiet contemplation and preparation churning in our minds. I look at Jade and she nods. She quickly turns and climbs the tall tree near me, looking like a spider silently climbing up a wall. I turn my attention away from Jade. She is now invisible to me. I will neither give away nor tell her whereabouts. She is a secret, one that I will pretend not to know. I look around through the darkness of night, taking my place waiting for this game to begin. My stance is confident. My mind is calm. I survey my surroundings like a predator who feels threatened, bracing for an attack. My eyes land on remnants of the trash bag that once held me inside. I laugh. Nate will have to do better this time if he wants to get rid of me. Nate is going to come into the forest, confident and cocky. He doesn't realize that the girl he is coming to kill isn't the same one he had attempted to kill before.

A Woman's Complete Guide to Natural Health Lynne Paige Walker, Ellen Hodgson Brown, 2003. A guide to natural healing for women describes 130 treatments for a variety of disorders and diseases.

Menopause and Estrogen Ellen Hodgson Brown, Lynne Paige Walker, 1996. One of the most hard-hitting menopause books in its critique of the way the medical establishment views and treats menopause, its purpose is two-fold. Firstly, to tell the real story about hormone replacement therapy, its dangers, and why doctors are pushing it; and secondly, to offer alternative treatments based on looking at the body and aging from the point of view of health, not pathology. This is an incredibly important book for transforming the myths of aging and bringing women's healing back into the hands of women.
