Fortin's Children's Rights and the Developing Law Jane Fortin, Rachel E. Taylor, 2024-02-29 This text considers the developing law in England and Wales as it applies to the burgeoning and confusing subject of the rights of children It examines the extent to which the emerging legal principles can be harnessed to fulfil those rights

The Making Sense of Politics, Media, and Law Gary Watt, 2023-04-13 From Trump's 'make America great again' to Johnson's 'build back better' performative politicians use *The Making Sense* to persuade their public audiences Law makers do it too A courtroom trial is a truth factory in which facts are not found but forged The court of popular opinion is another such factory though its processes are often flawed and its products faulty Where courts of law aim to make civil peace trial by Twitter makes civil strife Even in mainstream media journalists make news for public consumption so that all news is to an extent fake news In a world of making how can we separate craft from craftiness With insights from disciplines including law politics rhetoric media studies psychology sociology marketing and performance studies *The Making Sense of Politics Media and Law* offers a constructive way to approach controversies from transgender identity to cancel culture This title is also available as open access on Cambridge Core

Political Censorship in British Hong Kong Michael Ng, 2022-08-04 Drawing on archival materials Michael Ng challenges the widely accepted narrative that freedom of expression in Hong Kong is a legacy of British rule of law Demonstrating that the media and schools were pervasively censored for much of the colonial

period and only liberated at a very late stage of British rule this book complicates our understanding of how Hong Kong came to be a city that championed free speech by the late 1990s With extensive use of primary sources the free press freedom of speech and judicial independence are all revealed to be products of Britain's China strategy Ng shows that from the nineteenth to the twentieth century Hong Kong's legal history was deeply affected by China's relations with world powers Demonstrating that Hong Kong's freedoms drifted along waves of change in global politics this book offers a new perspective on the British legal regime in Hong Kong

British Islam and English Law Patrick S. Nash, 2022-01-27 British Islam and English Law presents a novel argument about the nature and place of groups in society The encounter with Islam has led English law to tread a line between two theoretical models liberal individualism and multiculturalism competing for dominance over the law of organised religion This philosophical rivalry has generated a set of seemingly intractable conflicts between individual and community religion and state nation and culture This book resurrects the long buried theory of classical pluralism to address and resolve these tensions Applying this to five understudied institutions that give structure and form to British Islam banks charities schools elections clans it outlines and justifies the reforms that would optimise the relationship between law and religion Unflinching and unorthodox this book places law and theory in context employs innovative methods such as nudge theory and applied history and provides detailed answers to hard questions about British Islam

The Oxford Handbook of Transnational Law Peer Zumbansen, 2021 The Oxford Handbook of Transnational Law offers a comprehensive compendium for the field of Transnational Law by providing a unique and unparalleled treatment and presentation in an area that has become one of the most intriguing and innovative developments in legal doctrine scholarship theory as well as practice today With a considerable contribution from and engagement with social sciences the Handbook features numerous reflections on the relationship between transnational law and legal practice

Making Commercial Law through Practice 1830-1970 Ross Cranston, 2021-05-27 Draws on archival research to tell the story of the nineteenth and twentieth century development of commercial law through practice

Positive Law from the Muslim World Baudouin Dupret, 2021-06-24 Can the concept of law be indiscriminately extended to times and places in which it did simply not exist Such an extension is at best useless and at worst misleading Producing an intelligible jurisprudence of the concept of law means keeping it within the reasonable boundaries of its contemporary common sense understanding positive law Parallel to Western societies in which it firstly emerged the concept of positive law developed in many places including countries characterized as Muslim There it faced other existing

normativities like customs and the Sharia This book aims from the Muslim world's perspective to clarify the uses of the concept of law and the ways of studying it to describe some of its historical developments including the ideas of constitutional law customary law and forensic evidence and to describe present day practices including reference to law sources rules and interpretation *The Reasonable Person* Valentin Jeutner,2024-06-06 The first comprehensive account of the history and function of the common law's reasonable person **Caring for Cultural Heritage** Charlotte Woodhead,2023-11-23 A re-evaluation of the UK's law on cultural heritage through the lens of the ethics of care

Regulating the Sea Margherita Pieraccini,2022-12-22 The book explores English marine protected areas regulation linking the regulatory landscape to key theoretical themes in environmental social sciences *The Abortion Act 1967* Sally Sheldon,Gayle Davis,Jane O'Neill,Clare Parker,2022-11-17 The Abortion Act 1967 may be the most contested law in UK history sitting on a fault line between the shifting tectonic plates of a rapidly transforming society While it has survived repeated calls for its reform with its text barely altered for over five decades women's experiences of accessing abortion services under it have evolved considerably Drawing on extensive archival research and interviews this book explores how the Abortion Act was given meaning by a diverse cast of actors including women seeking access to services doctors and service providers campaigners judges lawyers and policy makers By adopting an innovative biographical approach to the law the book shows that the Abortion Act is a living law Using this historically grounded socio-legal approach this enlightening book demonstrates how the Abortion Act both shaped and was shaped by a constantly changing society *Food Safety Law in China* Francis Snyder,2015-12-22 This book is the first major study of the making of transnational food safety law in China Francis Snyder shows how the 2008 melamine infant formula crisis led to China's first food safety law and new food safety standards substantial reforms in government policy and closer relations with international organisations He also identifies current and future challenges and makes recommendations for dealing with them Chinese food safety law today is influenced strongly by cross-border factors While transnational regimes help to shape domestic decisions many institutions deeply embedded in Chinese society have played key roles in this transformation Francis Snyder emphasises that in finding its own path toward ensuring food safety China can both learn from and teach other countries In May 2017 this title has been awarded a Gourmand World Cookbook Award in Yantai Shandong Province China Best in the World in two categories Best Wine Law Book and Food Safety Institutions *Grievance Formation, Rights and Remedies* Daniela Alaattinoğlu,2023-08-24 Uses an interdisciplinary comparative approach to explore Nordic states' varying treatment of victims of involuntary sterilisation and castration
