Reader Travel Awards 2017 Wyoming Road Trip by the Mile Marker Brook Besser, 2010-03 NEW REVISED EDITION that simplifies the highway naming and adds a number of new features that make the book easier to understand and navigate Contact info nightblazebooks.com with any questions Please read this entire description and the notes at the end Yellowstone National Park is the focal point of Wyoming however there is so much more if you know where to look Hidden gems like badlands and petroglyphs can be found in the plains and valleys and with 15 mountain ranges over 9 000 ft Wyoming is hardly the boring prairie that many people envision Even where the plains seem unspectacular there is a rich history along pioneer trails that served as the gateway to the west throughout the 19th century This book identifies ALL of this and is simply a book you should not be without Most Wyoming travel guides are written to explore a specific subject or location but it would take a stack of books to cover the state for all subjects Think of these books as a mile wide and 100 miles deep This remarkable guide on the other hand has most everything in the entire state laid out by the highway mile markers so you will always know what is ahead and exactly how to get there This book covers National Parks and Monuments State Parks sightseeing camping picnicking hiking historical sites archaeological sites rest areas RV dumps and general points of interest The book has over 1900 entries so think of it as 100 miles wide and 10 miles deep enough information to get around but not an overload of information to wade through Without a book like this putting together a trip across the state requires a great commitment of time and effort The author knows this because he has done it many times In order to provide massive amounts of information into a book of reasonable size and cost first off the book it is not a pocket guide but instead is full A4 paper size measuring 8 3 x 11 7 x 0 5 inches If this was a pocket guide it would be well over a thousand pages Secondly the book is laid out in a clear and concise report style format The descriptions are brief and to the point and not filled with colorful adjectives Instead the book uses a simple 5 star Cool Rating to convey the author s opinion of the impressiveness of each attraction In addition the first two lines for each attraction provide the mileage GPS coordinates elevation which entity owns the land and a grid system that corresponds to the maps in the book or can locate the attraction on any map The detailed directions are also condensed to generally fit on a single line Just to put a final point on the amount of information in this book the index is extracted directly from the book itself and therefore is so comprehensive that it contains over 2 300 entries So don t think of whether you should buy this book or that book this book stands on its own or as the ultimate companion book to any other Wyoming travel book It will pay for itself many times over in time and fuel savings If you put it in perspective the price of the book is around what it costs to operate a vehicle for about 30 miles maybe 10 or 20 in a big RV pretty insignificant Complete coverage of Yellowstone National Park Grand Teton National Park Devils Tower National Monument Fossil Butte National Monument Bighorn Canyon National Recreation Area Fort Laramie National Historic Site Medicine Lodge State Archaeological Site Snowy Range Bighorn Mountains Wind River Mountains Sinks Canyon State Park Guernsey State Park Glendo State Park Keyhole State Park Green River Lakes Casper Mountain Park Jackson Hole and much

more NOTES Because grayscale photos never do justice to things of beauty the book contains no photos However dozens of color photos can be seen on the book website wyomingroadtripbythemilemarker.com **DK Eyewitness Travel Guide: California**, 2012-05-21 The DK Eyewitness California travel guide will lead you straight to the best attractions the state has to offer Whether you re making the most of the illustrious nightlife or discovering California s history in the museums of San Francisco this guide provides all the insider tips every visitor needs with comprehensive listings of the best hotels restaurants shops and nightlife for all budgets It s fully illustrated and covers of all the major areas from LA and San Diego to The Mojave Desert and Wine Country You ll find 3D cutaways and floorplans of all the must see sites including Long Beach the Golden Gate Park and the Transamerica Pyramid as well as reliable information about getting around this diverse state DK Eyewitness California explores the culture history and architecture not missing the best in entertainment shopping tours and scenic walks in this unique and varied state With all the sights beaches and attractions listed area by area DK Eyewitness California is your essential companion DK Eyewitness California showing you what others only tell you **DK Eyewitness Travel Guide Pacific Northwest** DK, 2015-01-16 The DK Eyewitness Travel Guide Pacific Northwest is your indispensable guide to this beautiful part of the world Fully illustrated it covers all the major cities from Portland Oregon to Seattle Washington and Vancouver British Columbia and provides all the insider tips you need whether you re kayaking on Lake Ozette in Olympic National Park or hitting the shops in downtown Seattle s Columbia Center The fully updated guide includes unique cutaways floorplans and reconstructions of the must see sites plus street by street maps of all the fascinating cities and towns The new look guide is also packed with photographs and illustrations leading you straight to the best attractions on offer Now available in PDF **Subject Catalog, 1978** Library of Congress, 1978 **Early Midwestern Travel Narratives** Robert Rogers Hubach, 1998 First published in 1961 Early Midwestern Travel Narratives records and describes first person records of journeys in the frontier and early settlement periods which survive in both manuscript and print Geographically it deals with the states once part of the Old Northwest Territory Ohio Indiana Michigan Illinois Wisconsin and Minnesota and with Missouri Iowa Kansas and Nebraska Robert Hubach arranged the narratives in chronological order and makes the distinction among diaries private records with contemporaneously dated entries journals non private records with contemporaneously dated entries and accounts which are of more literary descriptive nature Early Midwestern Travel Narratives remains to this day a unique comprehensive work that fills a long existing need for a bibliography summary and interpretation of these early Midwestern travel narratives **Complete National Parks of the United States** Mel White, 2009 This extensive travel planner covers not just the 58 official National Parks but also the nearly 350 additional properties in the Park Service s domain From Yellowstone to the Statue of Liberty this catalog provides advice on when to see each park and what to do when there **Historic Hikes Around Mount Assiniboine & in Kananaskis Country** Emerson Sanford, Janice Sanford Beck, 2010 When authors Emerson Sanford and Janice Sanford Beck began

backpacking together nearly 20 years ago they often wondered whose footsteps they were retracing and how today's Rockies trails came to be there In Life of the Trail they share their findings with hikers and history buffs adventurers and armchair travellers Life of the Trail 5 details the routes in the area bounded on the north by Lake Minnewanka and the Bow River and on the west by Altrude Creek and the Vermilion and Kootenay rivers Featuring such historical characters as Duncan McGillivray David Thompson George Simpson Tom Wilson Walter Wilcox and Bill Peyto Volume 5 in this remarkable series also sheds light on the early days of the now world renowned Kananaskis Country **Illustrated History of Nebraska** Julius Sterling Morton, 1907 **The Publishers Weekly**, 1920
