**Return to Travers Corners** Scott Waldie, 2014-11-18 Travers Corners if visited by a dedicated urbanite would be seen as nothing more than a windblown gas station of a town that would make the middle of nowhere look like Metropolis It s a town of 329 beloved residents from Dolores who runs the beauty parlor to Junior McCracken the worst fisherman to never give up the sport to Judson C Clark boatbuilder and Carrie Creek s occasional guide But Travers Corners is more than just a gas station of a town It s a destination for fly fishing a paradise made of the finest trout waters ever seen with rivers and creeks sweeping past cattle ranches tall grasses and off into the timbered mountains In Scott Waldie s Return to Travers Corners are stories of small town friendships and fights of famous fishermen and unlucky anglers of trout so big they re practically mythical and of the ones that got away in love and on the water The tales of Travers Corners hearken to a simpler more enticing world of wild places good deeds and the friends made along the way Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

**Travers Corners** Scott Waldie, 2014-06-03 Welcome to Travers Corners a dusty Montana town where nothing much has happened since Herbert Hoover stopped for gas Travers Corners like most small towns has no newspaper no radio station but here large trout no better than large trout fictitious trout await the angler And apart from spreading gossip outside the McCracken s General Store the residents of Travers Corners love nothing more than fly fishing Scott Waldie s delightful cast of characters breathes life into this tiny out of the way town Meet Judson C Clarke boat builder and some time guide down the waters of Carrie Creek Jud s best friend Henry knows his way around just about everything and has a story and a laugh for everyone Meet Dolores the belle of Travers Corners Sarah who fled from New York City in search of quiet and community Doc who loves his profession and fly fishing and not necessarily in that order Ed the mechanic who s too patriotic to work on imports and so many more enormous personalities Waldie s warmth wit and shrewd eye for characterization evokes a deep nostalgia for times past and quirky communities For fly fishers everywhere Travers Corners will be a second home Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a

Most books on the history of gardens describe the way that gardens have been created by contrast The Afterlife of Gardens examines the way that gardens have been experienced Using examples from many sites around the world John Dixon Hunt examines responses to gardens from Renaissance sites to Baroque creations to modern motorway landscaping Examining how a garden has been experienced extends its history beyond the physical into cultural terms and the author describes how this afterlife of gardens as they are understood and experienced by many generations is often redesigned in visitors imaginative and cultural responses The author looks at many aspects of the subject including the enigmatic Hypnerotomachia Polifili of 1499 part fictional narrative and part scholarly treatise this fascinating early narrative of garden reception paves the way for an exploration of subsequent landscapes and their reception in later periods He also looks at Italian Renaissance gardens the Picturesque the architectural and inscriptional elements of gardens the ways experiences of gardens have been recorded and the different kinds of movement within gardens from the strolling pedestrian to the motorway traveller who experiences landscapes at speed In this ambitious new book the author shows how the complete history of a garden must extend beyond the moment of its design and the aims of the designer to record its subsequent reception He raises questions about the preservation of historical sites and provides lessons for the contemporary designer who may perhaps be more attentive to the life of a work after its design and implementation This book will interest all who have a professional interest in gardens as well as the wide general audience for gardens and landscapes of past and present

**A Killing In The City** John Holt,2012-08-29 To make a killing in the City is a phrase often used within the financial world to indicate making a large profit on investments or through dealings on the stock market the bigger the profit the bigger the killing However Tom

Kendall a private detective on holiday in London has a different kind of killing in mind when he hears about the death of one of his fellow passengers who travelled with him on the plane from Miami It was suicide apparently a simple overdose of prescribed tablets Kendall immediately offers his help to Scotland Yard He is shocked when he is told his services will not be required They can manage perfectly well without him thank you
