Treasures In Heaven Activities For Children:

Treasure in Heaven: Live, Love, and Prosper Christal Arthur, 2023-04-28 Many people don't understand how and why they make financial decisions. Most people believe the financial decisions they make today are separate from the spiritual results tomorrow. There is no spiritual savings account, checking account, or payment plan. Financial decision making often reflects the condition of the heart, mind, and soul. Most people believe in financial shortcuts. They believe they can hit the jackpot, strike oil, hit the mother lode, and that our ship has come in. All those expressions represent an immediate expectation of wealth and prosperity. Many people believe that once wealth and prosperity are received, then satisfaction, happiness, and peace soon follow. Our daily decision making can impact our spiritual savings. We should consider: What are our resources? Where does the Lord fit into our financial planning? How do I measure success? In *Treasure in Heaven: Live, Love, and Prosper*, the author explores how people make decisions. This book encourages people to engage in vertical communication with the Lord to improve the financial results in their lives. It encourages self-examination and the creation of a new definition of success and wealth. Bible Stuff: Children's Activity Bulletins, I Refuse to Be Who I Used to Be! Stafford Michael Rogers, 2017-07-20 THERE JUST HAS TO BE MORE TO LIFE THAN THIS YOU VERY WELL MAY HAVE THOUGHT THIS OR EVEN SPOKEN IT ALOUD If you are searching for academic theology, this is not the place. If instead you are looking for permanent fulfilling even life altering relationships, feel free to explore. If you intensely detest the thought of yet another night of tossing and turning driven by the memory of disappointments delivered daily by a forgettable phony and unrewarding lifestyle, this could become your jumpstart to newness. Inside you can discover How to look for love in all the right places. When to select a different exit than one first considered. Where to locate the greatest tattoo of all time. Why what you've always done often isn't the best decision. That you have the right to choose what you want to believe. That God does not love anyone more than He loves you. The source for seemingly insoluble dilemma. You may recall that insanity has been defined as doing what you have always done and expecting a different result. Do you see a necessary change on your horizon?
