Common Lectionary as well as the Roman Catholic lectionary *Introducing the Lessons of the Church Year* Frederick Borsch, 2009-09 Many of us have difficulty hearing the Bible as it is read to us in church Sunday after Sunday through the year *Saving Images* Gordon W. Lathrop, 2017-11-15 Gordon W Lathrop explores the place of the Bible as the subject of critical exegesis in contemporary liturgy The text is grounded in the life of the assembly and the role of intertextuality in its creation Lathrop finds patterns in biblical narratives that suggest revising our models of the shape of liturgy Dix Schmemmann and our understanding of baptism preaching Eucharist and congregational prayer *Saving Images* calls for a new reconceived biblical liturgical movement that takes seriously both biblical scholarship and the mystery at the heart of worship

Eucharistic Body Frank C. Senn, 2017-08-15 Building on his previous work on embodied liturgy Frank C Senn explores the relationship between the sacramental body and blood of Christ the ecclesial body of Christ and the body of the communicant Drawing on the richness of the eucharistic traditions and his own life experiences this book expands our understandings of the Eucharist to include pilgrimage to the altar ad altare Dei a life of gratitude anaphora cosmology and praise preface and Sanctus body and memory anamnesis Spirit and community epiclesis Trinitarian orthodoxy and world view doxology presence and union with Christ communion and initiation and reconciliation fencing the table It argues for use of a full eucharistic prayer to express a wider understanding of the Eucharist including creation themes an emphasis on the passion of Christ to connect the Eucharist to suffering humanity an expansion of the fellowship dimension of the Eucharist to embrace the church in heaven and around the world a recovery of Trinitarian praise an ecumenical exploration of how we understand theologically the presence of Christ received bodily and a reconsideration of the value of initiation in sacramental discipline and in the life of faith *The Fully Alive Preacher* Mike Graves, 2006-01-01 Mike Graves begins this book with the question If preaching is intended to enliven the church why is it killing so many ministers His answer Because preaching has become divorced from the vitality and diversity of the preacher s daily life He invites preachers to discover how preaching can be renewing rather than draining *Meeting God on the Cross* Arnfríður Guðmundsdóttir, 2010 The cross of Christ has

proven to be no less of a stumbling block for Christians living in the end of the twentieth century and the beginning of the twenty first than it was in the first century when the newly established community of friends and followers of Jesus Christ sought to define the foundation of their faith over against the critiques of their Jewish and Greek contemporaries This book presents a theological reception of the contemporary feminist challenge to classical christology by means of an explicit feminist retrieval and reconstruction of a theology of the cross Gudmundsdottir argues that a feminist theology of the cross serves a dual purpose in feminist christology it discloses the patriarchal distortion of traditional christology and can also reveal lost dimensions in the understanding of the person and work of Jesus Christ Although Gudmundsdottir argues that feminist critique is an indispensable element of contemporary christology she also claims that there is a redemptive message in the cross of Christ that is retrievable for women today Despite its potential for abuse and indeed its well documented history of misuse against women in the past a theology of the cross proclaims Jesus as a divine co sufferer who brings good news to the poor and oppressed and as such can be a source of healing and empowerment for suffering women The constructive task of this book is to show that a theology of the cross can indeed become a theology of hope today offering women meaning and strength from a God who takes human form and enters redemptively into their situations of suffering

Lord,2009-11-01 Sermons use words And though it may seem obvious that preachers should be careful and exacting in word choice preachers often set aside this aspect of preaching in favor of exegesis form and sermon focus and make such language work a secondary task In Finding Language and Imagery Jennifer L Lord asserts that because language shapes faith preachers must be disciplined to find fresh words for sermons and to make good choices about both their own words and those borrowed from others By presenting key tools and terms along with writing exercises Lord helps users develop both their understanding of language and their skills to capture the religious imagination of their listeners Book jacket *Faith Shaping Ministry* Paul E. Hoffman,2013-09-16 What happens after a congregation welcomes new Christians into its ministry Building on the work of the first volume in this series Faith Forming Faith Paul Hoffman interprets how a congregation that intentionally practices baptism and its renewal is itself re formed Pastors teachers lay leaders students of ministry and people in the pew all will find the compelling story of the ministry of Phinney Ridge Lutheran Church in Seattle Washington one of our nation s most secular cities to be an inspiring and practical primer for renewal Who would have thought Bringing others to the waters of baptism transforms those already at home in the congregation In fact this intentional spiritual practice completely transforms the parish and the lives of God s people There are new discoveries to be made in the ancient treasures of the Church as these gifts are shared with those hungering and thirsting for a place at God s table SCM Studyguide: Liturgy, 2nd Edition
